

FEBRUARY 15 & 16, 2017
 VANCOUVER CONVENTION CENTRE WEST
www.buildexvancouver.com

What is the New / Green Product Showcase?

The New / Green Product Showcase highlights products, services and technologies exhibited at BUILDEX that are transforming the design, construction, renovation and project management industries. This showcase will help attendees to better plan their visits to the show while profiling key innovative products prior to the show.

How It Works:

This program will profile your product ONLINE in a featured area of our website with your logo, a photo of your product and a 50-75 word description. In addition, your product feature will also be showcased in the official showguide that is distributed to all attendees. Take advantage of our preshow marketing machine and create pre-show interest about your product/service by joining the New / Green Product Showcase. Limited space available!

Showcase materials deadline: January 9, 2017.

Cost: \$600.00 + GST = \$630

Please fax completed form to Michael Pelsoci or John Connell at **604.631.2105**.

YES, I wish to participate in the New / Green Product Showcase

Company Name: _____

Contact Name: _____

Credit Card Number: _____ Expiry: _____
